Skill Enhancement Worksheet
Std. – V

Dear Children,

It's vacation time – time for lots of fun, activities & enjoyment. But let's club it with studies which will enhance your academic skills. Devote one hour daily and note the difference. This skill enhancement worksheet will help you in maintaining the continuity in academics. So follow the daily regime and strengthen your basics.

Note : All the activities given in the homework should be done as per the availability of resources due to lockdown.
